

# Agenda of the Energy Sector Day

6 December 2018

**COP24 · KATOWICE 2018**  
UNITED NATIONS CLIMATE CHANGE CONFERENCE

---

## *Lubelskie Climate Action Room 3*

1. 10.00-11.30 **Clean, Reliable Energy: Enabling Emissions Reductions and Energy Security through Advanced Nuclear Energy** (*Ministry of Energy and NICE*)
  - Part 1: Energy Leaders
    - **Moderated by** Sarah Lennon, on behalf of the Canada-Japan-U.S. NICE Future Lead Team, Associate Deputy Assistant Secretary, Office of Nuclear Energy, U.S. Department of Energy
    - **Keynote Speaker:** Krzysztof Tchórzewski, Minister of Energy, Poland
    - Caroline Lee, Environment and Climate Change Unit, International Energy Agency, Paris, France with
    - Fatih Birol, Executive Director, International Energy Agency [video address]
    - Panel presentations and discussion:
      - Dr. Jill Engel-Cox, NICE Future Operating Agent, Program Director, U.S. National Renewable Energy Laboratory
      - Cosmin Ghita, Chief Executive Officer, Nuclear Electrica, Romania
      - David Shropshire, Head of the Planning and Economic Studies Section, Department of Nuclear Energy, International Atomic Energy Agency, Vienna, Austria
  - Part 2: Non-Government Organizations moderated by Ryan Fitzpatrick, Third Way
    - Rich Powell, Executive Director, ClearPath [video address]
    - Kristin Zaitz and Heather Matteson, Mothers for Nuclear [video clip]
    - Panel discussion:
      - Agneta Rising, Women in Nuclear and Director General, World Nuclear Association

- Lena Andriolo, Vice President, International Youth Nuclear Congress
- Emilia Janisz, Nuclear4Climate, External Relations Manager at the European Nuclear Society
- Frank Hiroshi Ling, Professor, University of Tokyo and author
- Eric Meyer, Executive Director, Generation Atomic

### *Polish Pavilion*

---

#### 1. 10.00-11.30 Energy Efficiency (DB Energy)

- Speech by dr inż. Piotr Danielski - Asking the question "Can raising energy efficiency in industry be a way to meet the growing requirements for States in the field of environmental protection and reduction of CO2 emissions?"
- Discussion Panel
  - **Moderator:** dr inż. Piotr Danielski - Vice President of the Management Board of DB Energy SA, a company specializing in full service of the process of improving energy efficiency in large and medium-sized industry.
    - dr inż. Andrzej Ziólkowski - president of the Technical Supervision Office
    - Manfred Wawrzynosek - member of the board - TAMEH POLSKA sp. o.o.
    - Jacek Bobownik - Director of Strategy and Development and Director of IT - Barlinek SA
    - Paweł Kowalczewski - President of the Board - Dozamel sp. o.o. industrial park in Wrocław
    - dr Piotr Paszko - Vice President of the Lower Silesian Institute of Energy Studies and President of the Management Board of INERCON Sp. z o.o.

#### 2. 11.30-14.30 Polish Power Sector is Changing (PKEE)

- Keynote by **Krzysztof Tchórzewski**, Minister of Energy
- Opening speech - **Henryk Baranowski**, President of Polish Electricity Association (PKEE) Management Board
- Speech by **Yvon Slingenberg** - Director in DG Climate Action of the European Commission, responsible for International climate negotiations and mainstreaming of climate issues in EU policies
- Presentation of the PKEE's report: **"The contribution of the polish power sector to the implementation of global climate policy"** - Jarosław Wajer, Partner Ernst&Young

- Debate (**moderator:** Ireneusz Chojnacki, WNP.PL):
  - Krzysztof Tchórzewski, Minister of Energy
  - Yvon Slingenberg, Director in DG Climate, European Commission
  - Henryk Baranowski, President of Polish Electricity Association (PKEE) Management Board
  - Filip Grzegorzczak, Vice-President Polish Electricity Association (PKEE) Management Board
  - Mirosław Kowalik, Vice-President Polish Electricity Association (PKEE) Management Board
  - Jacek Kościelniak, Polish Electricity Association (PKEE) Management Board
  - Matthew Willey, Director of External Affairs, Drax Group

### 3. 14.30-15.00 Coffee break

- ### 4. 15.00-16.30 Solar Energy is ready to lead the fight against climate change (Global Solar Council)
- 15:00 Welcome & Introduction
    - Stanisław M. Pietruszko, PV Poland
    - Wojciech Stańczuk, Department of Renewable Energies, Polish Ministry of Energy;
  - 15:10 Support for RES in Poland
    - Artur Michalski, vice-President of NFOSiGW
  - 15:20 Overview on status and prospects of renewables
    - Toshiaki Nagata - Senior Programme Officer – IRENA
  - 15:30 Solar Energy is Ready to Lead the fight against Climate Change. Global Solar Council recipe against Climate Change
    - Gianni Chianetta – CoChairman Global Solar Council
  - 15.40 Panel Discussion
    - Introduction and moderation: journalist Piotr Pająk, portal gramwzielone.pl
    - Andreas Wolter – Vice Mayor of the City of Cologne
    - Artur Michalski vice-President of NFOSiGW
    - Gianni Chianetta CoChairman Global Solar Council
    - James Ellsmoor – Director, Solar Head of State
    - Shishir Seth – Senior Consultant, International Solar Alliance
    - Stanisław M. Pietruszko , PV Poland
    - Steve Sawyer - Senior Policy Advisor, Global Wind Energy Council
    - Thomas Brose – Executive Director, Climate Alliance
    - Toshiaki Nagata - Senior Programme Officer – IRENA
    - Wojciech Stańczuk Department of Renewable Energies, Polish Ministry of Energy;

- 16:20 Closing Remarks
  - Rebecca Carman - Technical climate specialist, UNDP
  
- 5. 16.30-18.00 **Energy transition – different starting points, one course** (PISM)
  - Moderation: Marek Wąsiński, the Polish Institute of International Affairs
  - Experts:
    - Caroline Lee, Energy Policy Analyst IEA
    - Paweł Mikusek, Climate Policy Coordinator, Forum Energii
    - Alvin Lin, China Climate and Energy Policy Director, Natural Resources Defense Council
    - Jesse Young, a Senior Advisor on Climate and Energy for Oxfam
  
- 6. po 19:00 evening side event of PKEE
