

Forest Day schedule  
7.12.2018  
Place: Polish Pavilion

COP24·KATOWICE 2018  
UNITED NATIONS CLIMATE CHANGE CONFERENCE

### **BEGINNING OF FOREST DAY**

Moderator: Krzysztof Trębski (State Forests)

9:00 – 9:10 – Minister Małgorzata Golińska [Poland] - Secretary of State, Chief Nature Conservator Ministry of the Environment– Opening speech

9:10 - 9:20 - Andrzej Konieczny [Poland] - Director General of the State Forests

### **SCIENTIFIC SEMINAR I**

***How much carbon in the forest? Methodologies for calculating carbon stock changes in forest ecosystems***

Moderator: prof. Tomasz Zawila-Niedźwiecki

9:20 – 9:25 – Opening. Moderator: prof. Tomasz Zawila-Niedźwiecki [Poland] - Environmental Project Coordination Centre Director

9:25 – 9:40 – Andrzej Konieczny [Poland] - Director General of the State Forests - „*The State Forests’ actions on climate change*”

9:40 – 9:55 – Federici Sandro [Italy] - “*Methodological issues to count for anthropogenic emissions and removals in forest land: human activities, natural disturbances and the permanence of C stock changes*”

9:55 – 10:10 – Giacomo Grassi [Italy] - Joint Research Centre of the European Commission - “*The role of forests in climate change mitigation*”

10:10 – 10:25 – Discussion

10:25 – 10:55 – coffee break

10:55 – 11:15 – Andrzej M. Jagodziński [Poland] - Institute of Dendrology, Polish Academy of Sciences; Faculty of Forestry, Poznań University of Life Sciences „*Carbon storage estimation in forest ecosystems.*” *Pt I*

11:15 – 11:35 – Krzysztof Stereńczak [Poland] - Forest Research Institute - „*Carbon storage estimation in forest ecosystems.*” *Pt II*

11:35 – 11:50 – Discussion

11:50 – 11:55 – Scientific Seminar Summary

11:55 – 12:15 – Mr. Ody - Marc Duclos, Leader of the Green Heart Foundation and Mr. Amady Gnagna Cissé, Director-General of the National Agency for the Great Green Walls of Senegal – „*African and Polish Forests: a way to make the world greener*”

12:15 – 13:45 – lunch break

## PANEL DISCUSSION

### **panel discussion on wood products (Heading for a World of Prosperity - HWP): the use of wood from forests managed in a multifunctional and sustainable manner**

13:45 – 13:50 – Minister Małgorzata Golińska [Poland] – Opening speech for second part of Forest Day

13:50 – 13:55 - Opening. Moderator: Zbigniew Karaszewski [Poland] - Wood Technology Institute (ITD)

13:55 – 14:15 – Mette Wilkie [FAO] - Director of Forest Policy and Resources – “*The climate change mitigation potential of harvested wood products*”

14:15 – 14:35 – Karin Simonson [Canada] – Natural Resources Canada– „*Innovating with wood: the Canadian experience*”

14:35 – 14:55 – Daniel Kamiński [Poland] – Ministry of the Environment - „*Polish timber construction as a mitigation action*”

14:55 - 15:15 – Discussion

15:15 – 15:45 – coffee break

15:45 – 16:05 – H. E. Siti Nurbaya Bakar [Indonesia] – Minister of the Environment

16:05 – 16:25 – Ewa Leszczyszyn [Poland] Wood Technology Institute – „*Wood materials and products as an important carbon pool*”

16:25 – 16:55 – Discussion

16:55 – 17:05 – Summary - Mr Rene Castro [FAO] - Assistant Director-General, Climate, Biodiversity, Land and Water Department (tbc)

17.05 – 17.30 – coffee break

## **SCIENTIFIC SEMINAR II**

### **The role of multifunctional and sustainable forest management in achieving a balance between anthropogenic emissions by sources and removals by sinks (CEEC 16+1).**

17:30 – 17:35 - Opening. Moderator: Krzysztof Stereńczak [Poland] - Deputy Director for Scientific Research of the Forest Research Institute

17.35 – 17.40 – Leon Megušar [16+1 Forestry Cooperation Secretariat] - *Brief description of the China and CEEC cooperation on Forestry*

17.40 - 17.55 - Prof. Wang Guoshen [China] – “*The Policies and Measures of Multifunctional and Sustainable Forest Management to Address Climate Change in China*”

17.55 – 18.10 – Tomasz Zawila-Niedźwiecki [Poland] – Director of the Centre for Coordination of Environmental Projects - „*Carbon Forests experiment*”

18.10 – 18.25 - Liviu CIUVĂȚ [Romania] - “*Multifunctional and sustainable forest management: Romania’s Afforestation of Degraded Agricultural Lands Project.*”

18.25 – 18.40 – Dr. Hojka Kraigher [Slovenia] – „*Sustainable’ forestry in SEE – China in the late Anthropocene*”

18.40 - 18.55 – Discussion

18.55 – 19.00 – Summary

19:00 – End of the Forest Day
